

PRIVACY POLICY FOR JAMR APP

This privacy policy governs your use of the software application Jamr (“Application”) for mobile devices that was created by Jamr App. Jamr connects you to musicians in your area who are looking to connect, jam, collaborate or find band members. In addition musicians will be able to easily scroll through opportunities to play, weather it be an open mic night, acoustic seshin in the park, or a weekend jam in the garage.

What information does Jamr obtain and how is it used?

User Provided Information

Jamr obtains the information you provide when you download and register the Application. Registration with us is optional. However, please keep in mind that you may not be able to use some of the features offered by Jamr unless you register with us.

When you register with us and use Jamr, you generally provide (a) your name, email address, age, user name, password and other registration information; (b) transaction-related information, such as when you make purchases, respond to any offers, or download or use applications from us; (c) information you provide us when you contact us for help; (d) credit card information for purchase and use of the Application, and; (e) information you enter into our system when using Jamr, such as contact information and project management information.

We may also use the information you provided us to contact your from time to time to provide you with important information, required notices and marketing promotions.

Automatically Collected Information

In addition, Jamr may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, the type of mobile Internet browsers you use, musical instruments, and information about the way you use Jamr.

This information is not shared with any third parties without your consent. We pull information from your social media profiles to fill in your Jamr profile information.

Does Jamr collect precise real time location information of the device?

When you visit Jamr, we may use GPS technology (or other similar technology) to determine your current location in order to determine the city you are located within and

display a location map with relevant advertisements. We will not share your current location with other users or partners.

If you do not want us to use your location for the purposes set forth above, you should turn off the location services for the mobile application located in your account settings or in your mobile phone settings and/or within the mobile application.

Do third parties see and/or have access to information obtained by Jamr?

Yes. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement.
- if Jamr is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

What are my opt-out rights?

You can stop all collection of information by Jamr easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at [MATT@JAMRAPP.COM].

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use Jamr and for a reasonable time thereafter. We will retain Automatically Collected information for up to 24 months and thereafter may store it in aggregate. If you'd like us to delete User Provided Data that you have provided via Jamr, please contact us at alexsanchez@jamrapp.com and we will

respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Children

We do not use Jamr to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at alexsanchez@jamrapp.com. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email or text message. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by clicking [here](#).

Your Consent

By using Jamr, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing," means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the United States. If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.

Contact us

If you have any questions regarding privacy while using Jamr, or have questions about our practices, please contact us via email at alexsanchez@jamrapp.com
